# The Club 55Bellechasse

## **A Club that listens and adapts itself for its members**

If you think that:

- Contemporary art is reserved only for the enlightened and the insiders,
- Budgets necessary to begin a collection are excessive,
- France is outdated,
- Artists, art collectors, and gallery owners are strange people,
- Cash is king, and due to lack of resources, means, and time, you would likely lose your shirt if you threw yourself into this adventure,
- Etc. or the complete opposite,

We have created a club for you!

Club 55Bellechasse plans a fixed program each year, as well as flexible dates to offer you moments with your friends, clients, or prospects. 55Bellechasse will host an estimated 15 dinners and 6 brunches between January and December each year — in line with Paris Contemporary Art Fair events (Art Paris week, FIAC, Paris Photo, etc.) and with the international calendar.

Membership will entitle you to attend all club event within the yearly budget.

An annual flat and “all” inclusive contribution for individuals, couples or we also do tailored solutions for businesses or large families.

## **Membership benefits will include**

On demand direct access to all permanent 55Bellechasse artists and a VIP status at art fairs in which 55Bellechasse participates; such as pre-openings for exhibitions (including an organized and guided tour, if possible by one of our own artists).

## **Our 5 Commitments**

- To share chic and healthy meals with you (dinners, brunches, and cocktail parties) in a gallery of contemporary artists
- To form ideas for and build projects having to do with one or several 55Bellechasse Artists
- To have an annual budget completely controlled by members
- To base our gatherings on themes, which can always be considered from either a personal, philosophical, geopolitical and/or artistic point of view
- To host guest speakers recognized for their professionalism as well as fun activities, and to have a staff that works to make every moment enjoyable
